WARM GREETINGS

Dear students,

Very warm greetings from the Department of Orthopaedics, NMCH, Nellore. Its with immense pleasure, we welcome you all to the postgraduate CME 2022. It will be conducted at Narayana Medical College Hospital, Nellore. The theme of this CME is "COMPLEX TRAUMA OF LOWER LIMB".

Despite the recent advances in treatment and the diversity of implants, complex trauma of lower limb poses a great challenging task to the trauma surgeon. We have arranged scientific sessions from experienced surgeons regarding the management of wide variety of complex traumas of the lower limb and also an interactive session in the end for discussion of various complex trauma X-rays and expect your active participation.
